POSTPONEMENT OF IMFO GAUTENG BRANCH SEMINAR “TURNING THE TIDE” 28 – 29 APRIL 2010

This letter serves as a notification that the abovementioned seminar needs to be postponed to 19 and 20 July 2010.

The postponement is necessary due to low/slow registration received to date which might be caused by the current SAMWU strike.

We have had to consider the 2010 activities in considering the new date. Kindly re-confirm your availability to the new dates

I trust you find the above in order.
